May 16, 2017

Ms. Barbara Martinez
Public Information/Records Management Officer
San Antonio Water System
P.O. Box 2449
San Antonio, Texas 78298-2449

OR2017-10520

Dear Ms. Martinez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 658098.

The San Antonio Water System (the "system") received a request for the winning proposal submitted for a specified request for proposals. Although the system takes no position as to whether the submitted information is excepted from disclosure under the Act, you state release of the submitted information may implicate the proprietary interests of Maestas & Associates, Inc. ("Maestas"). Accordingly, you state, and provide documentation showing, you notified Maestas of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (determining statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Maestas explaining why the submitted information should not be released. Therefore, we have no basis to conclude Maestas has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661

at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the system may not withhold the submitted information on the basis of any proprietary interest Maestas may have in the information.

Section 552.136 of the Government Code states “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”¹ Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined an insurance policy number is an access device for purposes of this exception. Thus, the system must withhold the insurance policy numbers in the submitted information under section 552.136 of the Government Code.

In summary, the system must withhold the insurance policy numbers in the submitted information under section 552.136 of the Government Code. The system must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Meredith L. Coffman
Assistant Attorney General
Open Records Division
