Mr. Carl J. Kolb
Counsel for the Uvalde County Appraisal District
Carl J. Kolb, P.C.

OR2017-10533

Dear Mr. Kolb:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 657767.

The Uvalde County Appraisal District (the "district"), which you represent, received a request for: (1) copies of all board of directors agendas and meeting minutes for a specified time period; (2) a specified contract; and (3) information pertaining to attorney's fees during a specified time period. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(3). The submitted information includes information in an account, contract, or voucher relating to the receipt or expenditure of funds by the district that is subject to section 552.022(a)(3). This information must be released unless it is made confidential under the Act or other law. *See id.* You seek to withhold the information subject to section 552.022(a)(3) under section 552.103 of the Government Code. However, this exception is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the information subject to section 552.022(a)(3), which we have marked, may not be withheld under section 552.103 of the Government Code. Accordingly, as you raise no further exceptions against disclosure for this information, the district must release the information we have marked pursuant to section 552.022(a)(3) of the Government Code. However, we will consider your argument against disclosure of the remaining information.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You state, and provide documentation showing, a lawsuit styled *Uvalde County Appraisal District v. Albert M. Walker*, Cause No. D-1-GN-17-000708 was pending in the 126th District Court of Travis County, Texas, when the district received the instant request for information. You explain the district is the plaintiff in this lawsuit. You state the information at issue is related to the pending lawsuit. Based on your representations, the submitted documentation, and our review of the submitted information, we find litigation was pending when the district received this request for information, and the information at issue is related to the pending litigation for the purposes of section 552.103. Therefore, the district may withhold the remaining information under section 552.103(a) of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

In summary, the district must release the information we have marked pursuant to section 552.022(a)(3) of the Government Code. The district may withhold the remaining information under section 552.103(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
