May 16, 2017

Mr. Eric K. Miller
Assistant General Counsel
Office of the General Counsel
Texas Department of Criminal Justice
P.O. Box 4004
Huntsville, Texas 77342-4004

OR2017-10567

Dear Mr. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 658115 (TDCJ ID# GG000011).

The Texas Department of Criminal Justice (the "department") received a request for information pertaining to a deceased inmate. The department states it has made some of the requested information available to the requestor, but claims the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.134 of the Government Code is applicable to information related to inmates of the department. Section 552.134(a) states that

[e]xcept as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Section 552.029 of the Government Code provides, in part, that

[n]otwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

...

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

Id. § 552.029(8). Thus, section 552.134 is explicitly made subject to section 552.029. Although the inmate to whom the submitted information pertains is deceased, section 552.134 is applicable to information that relates to the decedent as an inmate. Thus, we find section 552.134 is generally applicable to the submitted information. However, we note, and the department acknowledges, some of the information in question is related to the death of an inmate in custody. Accordingly, the department must release basic information about this incident pursuant to section 552.029. The basic information that must be released includes the time and place of the incident, the names of inmates and of department employees who were directly involved, a brief narrative of the incident, a brief description of any injuries sustained by anyone involved, and information regarding any criminal charges or disciplinary actions that were filed as a result of the incident.¹ Therefore, with the exception of basic information subject to section 552.029(8) of the Government Code, which the department states it has released, the department must withhold the remaining information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Gerald A. Arismendez
Assistant Attorney General
