Re: Request for all information, reports, calls, and follow-up investigations regarding named individual between the dates 01/01/14 and 04/25/17 at named location, to include any investigations made by named individual.

Dear Ms. Miller:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 665698.

After reviewing your arguments, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim the requested information must be withheld from the requestor. A request to compile an individual's criminal history implicates this person's privacy. We have concluded such a compilation is highly embarrassing information and is generally not of legitimate concern to the public. Therefore, to the extent you maintain law enforcement records depicting the named individual as a suspect, arrestee, or criminal defendant, you must withhold the requested information under section 552.101 of the Government Code in conjunction with common-law privacy. Furthermore, pursuant to section 552.108(a)(2), you may withhold report numbers 16-001844 and 16-01033. However, you must release the basic information from report numbers 16-001844 and 16-01033 pursuant to section 552.108(c) of the Government Code.

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/og/memorulings>. You may also contact our Open Government Hotline at 1-877-OPEN TEX.
