

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 18, 2017

Mr. Justin Pruitt
Assistant City Attorney
City of Lubbock
P.O. Box 2000
Lubbock, Texas 79457

OR2017-10831

Dear Mr. Pruitt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 663985 (City File No. 1574).

The City of Lubbock (the "city") received a request for all information related to a specified automotive collision. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Some of the submitted information is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an

¹Although you also raise section 552.101 of the Government Code, you make no arguments to support this exception. Therefore, we assume you have withdrawn your claim that this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Although you assert section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the city may not withhold this information under section 552.108 of the Government Code. Thus, the city must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the submitted information relates to a closed case that did not result in conviction or deferred adjudication. Based on your representation and our review, we agree section 552.108(a)(2) is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the accident report, which must be released to this requestor pursuant to section 550.065(c) of the Transportation Code, and the basic information, which must be released, the city may withhold the submitted information under section 552.108(a)(2) of the Government Code.
