ATTORNEY GENERAL OF TEXAS

May 18, 2017

Mr. Gary A. Scott  
Assistant City Attorney  
City of Conroe  
P.O. Box 3066  
Conroe, Texas 77305

OR2017-10832

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 664441.

The City of Conroe (the "city") received a request for a specified case narrative. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes the breath test results of an arrestee's blood alcohol content. Full information concerning the analysis of the specimen must be made available upon the request of the person who has given the specimen at the request of a peace officer. *See* Transp. Code § 724.018. Here, the requestor is the individual who submitted the specimen. You seek to withhold this information under section 552.108 of the Government Code. However, we note a statutory right of access generally prevails over the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Thus, the city must release the breath test results to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an active criminal investigation or prosecution. Based on your representation, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note basic information does not include motor vehicle record information protected by section 552.130 of the Government Code, dates of birth, or e-mail addresses of members of the public. *See id.* Thus, with the exception of the basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.<sup>1</sup>

In summary, the city must release the submitted breath test results pursuant to section 724.018 of the Transportation Code and must release the submitted Statutory Warning and Notice of Suspension. With the exception of the basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.
