Dear Ms. Klein:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 658885 (DSHS OR File: 26948/2017).

The Department of State Health Services (the "department") received a request for copies of inspections and surveys of all abortion facilities in the state of Texas.¹ The department states it will release some information. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses the Texas Abortion Facility Reporting and Licensing Act, chapter 245 of the Health and Safety Code. Section 245.011(d) provides:

¹You state the department sought and received clarification of the request for information. See Gov't Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

Except as provided by Section 245.023, all information and records held by the department under [chapter 245 of the Health and Safety Code] are confidential and are not open records for the purposes of [the Act]. That information may not be released or made public on subpoena or otherwise, except that release may be made:

- (1) for statistical purposes, but only if a person, patient, or abortion facility is not identified;
- (2) with the consent of each person, patient, and abortion facility identified in the information released;

(a) The department on request shall make the following information available to the public:

- (1) the status of the license of any abortion facility;
 - (2) the date of the last inspection of the facility, any violation discovered during that inspection that would pose a health risk to a patient at the facility, any challenge raised by the facility to the allegation that there was a violation, and any corrective action that is acceptable to the department and that is being undertaken by the facility with respect to the violation; and
 - (3) an administrative or civil penalty imposed against the facility or a physician who provides services at the facility, professional discipline imposed against a physician who provides services at the facility, and any criminal conviction of the facility or a physician who provides services at the facility that is relevant to services provided at the facility.

Id. § 245.023(a), (e). You state the submitted information, which pertains to abortion facilities, is governed by chapter 245 of the Health and Safety Code. You assert the current request does not fall within the four types of disclosure permitted under section 245.011(d).
