ATTORNEY GENERAL OF TEXAS

May 22, 2017

Mr. Sam Elsass  
Legal Assistant  
Texas Department of Public Safety  
P.O. Box 4087  
Austin, Texas 78773-0001

OR2017-11151

Dear Mr. Elsass:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 658686 (PIR # 17-1658).

The Texas Department of Public Safety (the "department") received a request for the bid tabulations pertaining to a specified request for proposals. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We also understand the department has notified GTS Technology Solutions, Inc. and SHI Government Solutions, Inc. of the department's receipt of the request for information and of each company's right to submit arguments to this office as to why the requested information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 at 3 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the claimed exception and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). The department represents the submitted information pertains to a competitive bidding situation. In addition, the department states release of the requested information would harm its purchasing interests and weaken its bargaining position as it deliberates options and negotiates best value now and in the future.

After review of the information at issue and consideration of the arguments, we find the department has established the release of the information at issue would give advantage to a competitor or bidder. Thus, we conclude the department may withhold the submitted information under section 552.104(a) of the Government Code.

You ask this office to issue a previous determination that would permit the department to withhold bid tabulations under section 552.104(a) of the Government Code without requesting a ruling from this office. *See* Gov't Code § 552.301(a) (allowing governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Kaelan A. Henze  
Assistant Attorney General
