

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 23, 2017

Ms. Anita Crethers
Office Assistant II
City of Dallas
1500 Marilla Street, Room 3FN
Dallas, Texas 75201

OR2017-11263

Dear Ms. Crethers:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 658893 (Ref. No. C001901-031317).

The City of Dallas (the "city") received a request for the proposals, and the city's evaluation comments and score sheets for a specified request for proposal. Although you take no position with respect to the public availability of the submitted information, you indicate release of the submitted information may implicate the proprietary interests of third parties. Accordingly, you notified Metroplex Economic Development Corporation and City Wide Community Development Corporation of the request and of their right to submit arguments to this office explaining why the information at issue should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); *see also* Open Records Decision No. 542 (1990) (determining statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any third party explaining why the submitted information should not be released. Therefore, we

have no basis to conclude any third party has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest the third parties may have in the information.

Section 552.136 of the Government Code states “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”¹ Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined an insurance policy number is an access device for purposes of this exception. *See* Open Records Decision No. 684 at 9 (2009). Thus, the city must withhold the insurance policy numbers in the submitted information under section 552.136 of the Government Code. As no exceptions to disclosure are raised, the city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

D. Michelle Case
Assistant Attorney General
Open Records Division
