OR2017-11556

Dear Mr. Falgoust:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 659526 (ORR# 32943).

The City of Austin (the "city") received a request for records relating to a named employee of the city's Emergency Medical Services Department (the "department"). The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 143.089 of the Local Government Code. The city states the department is a civil service organization under chapter 143 of the Local Government Code. *See* Local Gov't Code §§ 143.401, .403(c) (each provision of chapter 143 applies to emergency medical services personnel covered by subchapter K). Section 143.089 requires a civil service organization to maintain two different types of personnel files relating to

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

emergency medical services personnel (“EMS personnel”): a civil service file that the civil service director is required to maintain, and an internal file that the department may maintain for its own use. *Id.* § 143.089(a), (g). Information that reasonably relates to an EMS personnel’s employment relationship with the department is maintained in the department’s internal file pursuant to section 143.089(g) and is confidential and must not be released. *See id.* § 143.089(g); *see also City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied); *City of San Antonio v. Texas Attorney General*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

The city states the submitted information is maintained by the department in a confidential internal file for the EMS personnel in question pursuant to section 143.089(g). Thus, the submitted information is confidential under section 143.089(g) of the Local Government Code and the city must withhold the information under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
