Re: Request for HEC for incident nos. 55275116, 56923516, 88927916, 130299716 and 155578316; at named location; [GC No. 24289].

Dear Ms. Kanu:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 667717.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You have released information regarding the October and December 2016 incidents. You claim the submitted information may be withheld from public disclosure pursuant to section 552.108 of the Government Code on behalf of a law enforcement agency with a law enforcement interest. Further, you inform this office the law enforcement agency objects to the disclosure of Exhibits 2 and 2A because they relate to an ongoing criminal case and release would interfere with the case. Thus, we conclude you may withhold Exhibits 2 and 2A pursuant to section 552.108(a)(1). Finally, you inform this office the law enforcement agency objects to the disclosure of Exhibit 2B because it relates to a concluded criminal case that did not result in conviction or deferred adjudication. Thus, we conclude you may withhold Exhibit 2B pursuant to section 552.108(a)(2).

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/og/memorulings>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
