

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 30, 2017

Ms. Leticia D. McGowan
Assistant General Counsel
Dallas Independent School District
3700 Ross Avenue
Dallas, Texas 75204

OR2017-11765

Dear Ms. McGowan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 659737 (ORR #16042).

The Dallas Independent School District (the "district") received a request for certain personnel information relating to a named district police officer. You state you have released some information. You claim the submitted information is excepted from disclosure under sections 552.101, 552.102, and 552.140 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by former section 1701.306 of the Occupations Code. Former section 1701.306 makes confidential L-2 Declaration of Medical Condition and L-3 Declaration of Psychological and Emotional Health forms required by Texas Commission on Law Enforcement ("TCOLE").¹ Former section 1701.306 provides, in part:

¹The Texas Commission on Law Enforcement Officer Standards and Education was renamed the Texas Commission on Law Enforcement by the 83rd Legislature. *See* Act of May 6, 2013, 83rd Leg., R.S., ch. 93, § 1.01, 2013 Tex. Gen. Laws 174, 174.

(a) [TCOLE] may not issue a license to a person as an officer or county jailer unless the person is examined by:

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a physical examination, blood test, or other medical test.

(b) An agency hiring a person for whom a license as an officer or county jailer is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to [TCOLE]. A declaration is not public information.

Act of May 17, 1999, 76th Leg., R.S., ch. 388, § 1, 1999 Tex. Gen. Laws 1431, 2219 (current version at Occ. Code §§ 1701.306(a), (b)). The submitted L-3 form was created prior to September 1, 2011. Although section 1701.306 of the Occupations Code was amended in 2011 by the 82nd Legislature, L-2 and L-3 declaration forms created prior to September 1, 2011, are subject to the former version of section 1701.306, which was continued in effect for that purpose. *See* Act of May 30, 2011, 82nd Leg., R.S., ch. 1224, § 7. Therefore, the district must withhold the submitted L-3 declaration form we marked under section 552.101 of the Government Code in conjunction with former section 1701.306 of the Occupations Code.²

Section 552.101 of the Government Code also encompasses the current version of section 1701.306 of the Occupations Code, which provides, in relevant part:

(a) [TCOLE] may not issue a license to a person unless the person is examined by:

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

²As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a blood test or other medical test.

(b) An agency hiring a person for whom a license is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to [TCOLE]. A declaration is not public information.

Occ. Code § 1701.306(a), (b). The remaining information contains an L-2 form created after September 1, 2011. Therefore, the district must withhold the L-2 declaration we marked under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code.³

Section 552.140 of the Government Code provides a military veteran's DD-214 form or other military discharge record that is first recorded with or that otherwise first comes into the possession of a governmental body on or after September 1, 2003 is confidential for a period of seventy-five years and may only be disclosed in accordance with section 552.140 or in accordance with a court order. *See* Gov't Code § 552.140(a), (b). You do not inform us when the district came into possession of the submitted DD-214 form. Therefore, we must rule conditionally. If the district came into possession of the form on or after September 1, 2003, then the district must withhold the form, which we marked, under section 552.140 of the Government Code. If the district received the form before September 1, 2003, then the district may not withhold the form pursuant to section 552.140 of the Government Code.

Section 552.101 of the Government Code also encompasses information made confidential by statute, such as the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

(a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

³As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004; Open Records Decision No. 598 (1991). This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). The remaining information contains the results of a drug test. Section 159.001 of the MPA defines "patient" as a person who consults with or is seen by a physician to receive medical care. Occ. Code § 159.001(3). Because the individual at issue in the remaining information did not receive medical care in the administration of the drug test, this individual is not a patient for purposes of section 159.002. Upon review, we find you have not demonstrated any portion of the remaining information is subject to the MPA, and the district may not withhold any of the remaining information under section 552.101 on that basis.

Section 552.102(a) of the Government Code excepts from disclosure "information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." Gov't Code § 552.102(a). We understand you to assert the privacy analysis under section 552.102(a) is the same as the common-law privacy test under section 552.101 of the Government Code. Section 552.101 of the Government Code encompasses common-law privacy, which protects information if it (1) contains highly intimate or embarrassing facts, the publication of which would be highly objectionable to a reasonable person, and (2) is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). In *Hubert v. Harte-Hanks Texas Newspapers, Inc.*, 652 S.W.2d 546, 549-51 (Tex. App.—Austin 1983, writ ref'd n.r.e.), the court of appeals ruled the privacy test under section 552.102(a) is the same as the *Industrial Foundation* privacy test. However, the Texas Supreme Court has expressly disagreed with *Hubert's* interpretation of section 552.102(a) and held the privacy standard under section 552.102(a) differs from the *Industrial Foundation* test under section 552.101. *See Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). The supreme court also considered the applicability of section 552.102(a) and held it excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *See id.* at 348. Upon review, we find the district must withhold the date of birth of the employee at issue under section 552.102(a) of the Government Code.

As stated above, section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects the specific types of information the Texas Supreme Court held to be intimate or embarrassing in *Industrial Foundation*. *Indus. Found.*, 540

S.W.2d at 685. To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. The court of appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Upon review, we find you have failed to demonstrate any portion of the remaining information is highly intimate or embarrassing and not of legitimate public concern. Thus, none of the remaining information may be withheld under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.102(b) of the Government Code exempts from public disclosure “a transcript from an institution of higher education maintained in the personnel file of a professional public school employee[.]” Gov’t Code § 552.102(b). We must consider whether the Legislature intended the term “professional public school employee” in section 552.102(b) to include a police officer employed by the district. Section 552.102(b) does not define “professional public school employee.” When construing a statute, a court may consider the circumstances under which the Legislature enacted the statute as well as its legislative history. *Id.* § 311.023(2), (3); *City of Rockwall v. Hughes*, 246 S.W.3d 621, 626 n.6 (Tex. 2008). In 1989, the Legislature passed Senate Bill 404 (“S.B. 404”) as an amendment to the Act to include the statutory predecessor to section 552.102(b). The Senate sponsor of S.B. 404, Senator Don Henderson, stated before the Senate Committee for State Affairs the bill was a response to “people trying to get past a teacher’s degree, past a teacher’s hiring, . . . [and] past a school board’s determination that a teacher was qualified to teach[.]” Hearing on S.B. 404 Before the Senate Comm. for State Affairs, 71st Leg., R.S. (February 27, 1989) (statement of Senator Henderson) (recording available from Senate Staff Services Office). During the Senate floor debate of the bill, Senator Henderson further questioned the purpose of “any citizen being able to look at any teacher’s transcript” because “there are several other means by which we say teachers are qualified to teach in this state.” *Id.*; *see also* Debate on Tex. S.B. 404 on the Floor of the Senate, 71st Leg., R.S. (March 13, 1989) (statement of Senator Henderson describing S.B. 404 as relating to privacy of a teacher’s transcript; statement of Senator Caperton summarizing S.B. 404 as balancing public’s right to know with teacher’s right of privacy) (recording available from Senate Staff Services Office). In addition, Representative Paul J. Hilbert, the House sponsor of S.B. 404, stated during the debate on the House floor that the statute was intended to protect teachers’ college transcripts. *See* Debate on Tex. S.B. 404 on the Floor of the House, 71st Leg., R.S. (May 10 and 11, 1989) (statements of Representative Hilbert introducing S.B. 404 as applying to transcripts of teachers) (recording available from House Video/Audio Services). Therefore, we believe the legislative history of section 552.102(b) shows the Legislature enacted the predecessor statute to section 552.102(b) to protect the transcripts of only professional educators, rather than the transcripts of all public school employees. *See* Open Records Decision No. 526 (1989) (addressing predecessor statute in light of previous lack of exception for “qualifications of professional public school employees *to teach*”) (emphasis

added). Thus, as the district has not established the district employee at issue is an educator for purposes of section 552.102(b), this exception is not applicable to the district employee's transcripts. Accordingly, the district may not withhold the information at issue under section 552.102(b) of the Government Code. *See* Open Records Decision Nos. 470 (1987), 467 (1987) (public has legitimate interest in job qualifications, including college transcripts, of public employees).

Section 552.117(a)(2) of the Government Code excepts from public disclosure the home address, home telephone number, emergency contact information, and social security number of a peace officer, as well as information that reveals whether the peace officer has family members, regardless of whether the peace officer complies with sections 552.024 and 552.1175 of the Government Code.⁴ *See* Gov't Code § 552.117(a)(2). Section 552.117(a)(2) applies to peace officers as defined by article 2.12 of the Code of Criminal Procedure. Upon review, we find the district must withhold the information we marked under section 552.117(a)(2) of the Government Code.

In summary, the district must withhold the submitted L-3 declaration form we marked under section 552.101 of the Government Code in conjunction with former section 1701.306 of the Occupations Code. The district must withhold the L-2 declaration we marked under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code. If the district came into possession of the submitted DD-214 form on or after September 1, 2003, then the district must withhold the form, which we marked, under section 552.140 of the Government Code. If the district received the form before September 1, 2003, then the district may not withhold the form pursuant to section 552.140 of the Government Code. The district must withhold the date of birth of the employee at issue under section 552.102(a) of the Government Code. The district must withhold the information we marked under section 552.117(a)(2) of the Government Code. The district must release the remaining information.
