OR2017-11786

Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 666593 (RID-177-2017).

The City of Saginaw (the "city"), which you represent, received a request for information pertaining to a specified incident. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note a portion of the submitted information consists of an officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.<sup>1</sup> However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

The city asserts the dates of birth are excepted from public disclosure under section 552.101 of the Government Code in conjunction with common-law privacy. Section 552.101 excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the city must withhold all public citizens’ dates of birth under section 552.101 of the Government Code.

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator’s license or driver’s license or a motor vehicle title or registration issued by a Texas agency, or an agency of another state or country. *See* Gov’t Code § 552.130(a)(1)-(2). Upon review, we find the city must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code.

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must withhold all public citizens’ dates of birth under section 552.101 of the Government Code. The city must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

<sup>1</sup>As we are able to make this determination, we need not address the arguments against disclosure of this information.
