Dear Mr. Pittman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 659967.

The City of Wylie (the "city"), which you represent, received a request for information related to specified incentives packages associated with three specified projects. The city released the responsive information but made redactions as permitted by section 552.136 of the Government Code without requesting a decision from this office. *See* Gov't Code § 552.136(c). Pursuant to section 552.136(d), the requestor has asked this office to review the redacted information and render a decision as to whether it is excepted from disclosure under section 552.136(b) of the Government Code. *See id.* § 552.136(d). We have considered the city's position and reviewed the information at issue.

Section 552.136(b) of the Government Code provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b); *see id.* § 552.136(a) (defining "access device"). Upon review, the city must continue to withhold the account and routing numbers you redacted under section 552.136 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
