

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 31, 2017

Mr. Jonathan L. Almanza
Assistant District Attorney
County of Hidalgo
100 East Cano
Edinburg, Texas 78539

OR2017-11881

Dear Mr. Almanza:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 659952 (File No. 2017-0025-DA.CO).

The County of Hidalgo (the "county") received a request for records regarding the Tax Reinvestment Zone Number Two.¹ You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. Additionally, you state, you notified the City of McAllen of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).² We have considered the exception you claim and reviewed the representative sample of information.³

¹The county states it sought clarification of portions of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²As of the date of this letter, we have not received any comments from the City of McAllen explaining why any portion of the submitted information should not be released to the requestor.

³We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.111 of the Government Code excepts from disclosure “[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]” Gov’t Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref’d n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body’s policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland*, 22 S.W.3d 351 (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body’s policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body’s policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

Section 552.111 can also encompass communications between a governmental body and a third party, including a consultant or other party with a privity of interest. *See* Open Records Decision Nos. 631 at 2 (section 552.111 encompasses information created for governmental body by outside consultant acting at governmental body’s request and performing task that is within governmental body’s authority), 561 at 9 (1990) (section 552.111 encompasses communications with party with which governmental body has privity of interest or common deliberative process), 462 at 14 (1987) (section 552.111 applies to memoranda prepared by governmental body’s consultants). For section 552.111 to apply, the governmental body must identify the third party and explain the nature of its relationship with the governmental body. Section 552.111 is not applicable to a communication between the governmental body and a third party unless the governmental body establishes it has a privity of interest or common deliberative process with the third party. *See* ORD 561 at 9. We note a governmental body does not share a privity of interest with a third party when the

governmental body and the third party are involved in contract negotiations, as the parties' interests are adverse.

The county contends the information at issue consists of draft documents and communications which contain marked recommendations and opinions between county officials, county employees, and the City of McAllen as part of contract negotiations. The county explains the communications were internal in nature and were in an effort to compile and edit preliminary drafts of the contract intended for public release in its final form. Upon review, we find the information at issue consists of draft documents and communications related to contract negotiations between the county and the City of McAllen, and thus, their interests were adverse as to the negotiations and there is no privity of interest between the two parties. Thus, we find you have failed to show the information at issue consists of internal communications containing advice, opinions, or recommendations on the policymaking matters of the county. Accordingly, the county may not withhold any portion of the information at issue under section 552.111 of the Government Code. As no further exceptions to disclosure have been raised, the county must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
