ATTORNEY GENERAL OF TEXAS

Ms. Ylise Janssen
General Counsel
Austin Independent School District
1111 West Sixth Street, Suite A240
Austin, Texas 78703

OR2017-12112

Dear Ms. Janssen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 666897.

The Austin Independent School District (the "district") received a request for all information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the requested information includes a district police officer's body worn camera video. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera video at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to conduct by a child that occurred on or after September 1, 1997. Fam. Code § 58.007(c). The relevant portion of section 58.007 provides:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Id. § 58.007(c). *See also id.* § 51.02(2) (defining “child” as a person who is ten years of age or older and younger than seventeen years of age at the time of the reported conduct). Upon review, we find the remaining information involves delinquent conduct by a child that occurred after September 1, 1997. *See id.* § 51.03 (defining “delinquent conduct” for purposes of section 58.007). Further, it does not appear that any of the exceptions in section 58.007 apply. Therefore, the remaining information is confidential under

¹As we are able to make this determination, we need not address the arguments against disclosure of this information.

section 58.007(c) of the Family Code and the district must withhold it under section 552.101 of the Government Code.²

In summary, pursuant to section 1701.661 of the Occupations Code, as the requestor did not properly request the body worn camera video at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and the district need not release the submitted body camera video at issue in response to this request for information. The district must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
