Ms. Suzanne Hanneman
Deputy City Attorney
City of Alvin
216 West Sealy Street
Alvin, Texas 77511

OR2017-12245

Dear Ms. Hanneman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 660408 (Ref No. CA-17-0014).

The Alvin Police Department (the "department") received two requests from the same requestor for information pertaining to a named individual. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states the information at issue pertains to a pending criminal case. Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the information you indicated.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). The department states the information at issue pertains to a criminal investigation that did not result in a conviction or deferred adjudication. Based on this representation and our review, we agree section 552.108(a)(2) is applicable to the information you indicated.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the department may withhold the information it indicated under section 552.108(a)(1) of the Government Code and the information it indicated under section 552.108(a)(2) of the Government Code.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and the department need not release the submitted body camera recordings at issue in response to these requests for information. With the exception of the basic information, which must be released, the department may withhold the information it indicated under section 552.108(a)(1) of the Government Code and the information it indicated under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
