

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 6, 2017

Ms. Ileana Fernandez
Assistant City Attorney
City of Mesquite
P.O. Box 850137
Mesquite, Texas 75185-0137

OR2017-12305

Dear Ms. Fernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 667208.

The Mesquite Police Department (the "department") received a request for information pertaining to a specified report number. You state the department has released some of the requested information. You state you will redact some information pursuant to Open Records Letter Nos. 2012-01375 (2012), 2012-06459 (2012), and 2015-24970 (2015).¹ You claim some of the submitted information is excepted from disclosure under sections 552.101, 552.108, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

¹Open Records Letter No. 2012-01375 is a previous determination issued to the department authorizing the department to withhold information in a call sheet that reveals the existence of a motor vehicle lien under section 552.101 of the Government Code in conjunction with common-law privacy, without requesting a decision from this office. Open Records Letter No. 2012-06459 authorizes the department to withhold the price of a motor vehicle in a call sheet under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting a decision under section 552.301 of the Government Code. Open Records Letter No. 2015-24970 authorizes the department to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office. *See* Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301 (a) of the Government Code).

Initially, we note a portion of the submitted information consists of an officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.² However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state Exhibit 2 relates to a pending criminal investigation. Based upon this representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

²As we are able to make this determination, we need not address the arguments against disclosure of this information.

Accordingly, the department may withhold Exhibit 2 under section 552.108(a)(1) of the Government Code.³

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987).

Upon review, we find the department has failed to demonstrate the information you have marked is highly intimate or embarrassing and not of legitimate public interest. Therefore, the department may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy.

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator’s license or driver’s license or a motor vehicle title or registration issued by a Texas agency, or an agency of another state or country. *See* Gov’t Code § 552.130(a)(1)-(2). Upon review, we find the department must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code.

Next, you seek to withhold portions of the remaining information under section 552.147 of the Government Code. This section provides that “[t]he social security number of a living person is excepted from” required public disclosure under the Act.⁴ *Id.* § 552.147(a). Accordingly, the department may withhold the social security numbers you have marked under section 552.147 of the Government Code.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The department may withhold Exhibit 2 under section 552.108(a)(1) of the Government Code. The department must withhold the motor

³As our ruling on Exhibit 2 is dispositive, we need not address your remaining arguments against its disclosure.

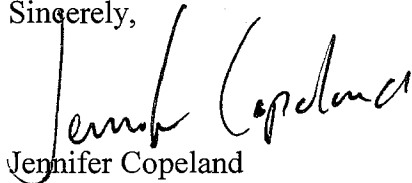

⁴We note section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. Gov’t Code § 552.147(b).

vehicle record information you have marked under section 552.130 of the Government Code. The department may withhold the social security numbers you have marked under section 552.147 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
