Ms. Carol Powers
Administrative Assistant
Tyler County Sheriff's Office

OR2017-12345

Dear Ms. Powers:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 660616.

The Tyler County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You state you have released some information to the requestor. You claim some of the requested information is not subject to the Act. You claim the remaining requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered your arguments.

Initially, you argue some of the requested information consists of records of a grand jury. The judiciary is expressly excluded from the requirements of the Act. Gov't Code § 552.003(1)(B). This office has determined for purposes of the Act, a grand jury is a part of the judiciary and therefore not subject to the Act. *See* Open Records Decision No. 411 (1984). Further, records kept by a governmental body that is acting as an agent for a grand jury are considered records in the constructive possession of the grand jury, and are also not subject to the Act. *See* Open Records Decisions Nos. 513 (1988), 411, 398 (1983). Thus, to the extent the sheriff's office holds the information at issue as an agent of the grand jury, such information consists of records of the judiciary that are not subject to disclosure under the Act, and the sheriff's office is not required to release that information in response to the instant request. To the extent the sheriff's office does not hold the information at issue as

an agent of the grand jury, we find this information is subject to disclosure under the Act, and we will address the asserted exception to disclosure.

Next, we must address the sheriff's office's obligations under section 552.301 of the Government Code, which prescribes the procedural obligations that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e)(1)(A)-(D). In this instance, you state, and provide documentation showing, the sheriff's office received the request for information on March 16, 2017. As of the date of this letter, you have not submitted for our review a copy or representative sample of the information requested. Consequently, we find the sheriff's office failed to comply with the requirements of section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the sheriff's office raises exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, to the extent the sheriff's office does not hold the information as an agent of the grand jury, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
