Ms. Jennifer Burnett
Attorney & Public Information Coordinator
University of Texas System

OR2017-13464

Dear Ms. Burnett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 662555 (OGC# 174888).

The University of Texas Medical Branch at Galveston (the "university") received a request for e-mails between the requestor and named individuals regarding a specified incident.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes,

¹We note the university sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

including section 51.971 of the Education Code. Section 51.971 of the Education Code provides, in relevant part, the following:

(e) Information is excepted from disclosure under [the Act] if it is collected or produced:

(1) in a compliance program investigation and releasing the information would interfere with an ongoing compliance investigation[.]

Educ. Code § 51.971(e)(1). Section 51.971 defines a compliance program as “a process to assess and ensure compliance by the officers and employees of an institution of higher education with applicable laws, rules, regulations, and policies[.]” *Id.* § 51.971(a)(1). You inform us the university is an institution of higher education for purposes of section 61.003 of the Education Code. *See id.* § 51.971(a)(2). You state the submitted information relates to an ongoing compliance investigation conducted by the university’s Department of Internal Investigations concerning a misconduct allegation against a university employee. Based on your representations and our review, we agree the submitted information pertains to the university’s compliance program for purposes of section 51.971. *See id.* § 51.971(a). You also state release of the information at this time would interfere with, and potentially compromise, the ongoing investigation. Accordingly, we conclude the university must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 51.971(e)(1) of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
