

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 20, 2017

Ms. Mary E. Miller
Assistant District Attorney
Denton County Sheriff's Office
127 N. Woodrow Lane, Suite 300
Denton, Texas 76205

OR2017-13600

Dear Ms. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 664525.

The Denton County Sheriff's Office (the "sheriff's office") received a request for video recordings from the Denton County Courthouse Building at a specified time. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. You claim section 552.101 in conjunction with section 418.182 of the Government Code, which was added to chapter 418 of the Government Code as part of the Texas Homeland Security Act (the "HSA"). Section 418.182 provides in part:

¹We note the sheriff's office did not comply with the requirements of section 552.301 of the Government Code. *See* Gov't Code § 552.301(b). Nevertheless, section 552.101 of the Government Code is a mandatory exception that can provide a compelling reason to overcome the presumption of openness caused by a failure to comply with section 552.301. *See id.* §§ 552.007, .302. Thus, we will consider the sheriff's office's claim under that section.

(a) Except as provided by Subsections (b) and (c), information, including access codes and passwords, in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential.

Id. § 418.182(a). The fact that information may be related to a security system does not make the information *per se* confidential under section 418.182. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting section 418.182 must adequately explain how the responsive information falls within the scope of the statute. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You assert release of the submitted video recordings “would substantially interfere with and impair the ability of Denton County and the [sheriff's office] to maintain safety and security for the courthouse[.]” You further state “[t]he surveillance security cameras which provide the footage requested is a part of the a countywide system used for the protection from security threats[.]” Upon review, we find the submitted surveillance video recordings relate to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity. *See Tex. Dep't of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (finding confidential under section 418.182 of HSA video recording containing images recorded by security cameras in Texas Capitol hallway because specifications of security system included cameras' capabilities and video recording demonstrated those capabilities through characteristics, quality, and clarity of images recorded). Accordingly, the sheriff's office must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 418.182 of the Government Code.²

Finally, you ask this office to issue a previous determination permitting the sheriff's office to withhold surveillance video from the Denton County Courthouse Building under section 552.101 of the Government Code in conjunction with section 418.182 of the Government Code without requesting an opinion from this office. *See* Gov't Code § 552.301(a) (allowing governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001). Having considered your request, we decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²As our ruling is dispositive, we do not address your remaining argument.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
