ATTORNEY GENERAL OF TEXAS

Mr. Scott W. Thomas  
Counsel for Arlington Independent School District  
Eichelbaum, Wardell, Hansen, Powell & Mehl, P.C.  
5801 Tennyson Parkway, Suite 360  
Plano, Texas 75024

OR2017-13697

Dear Mr. Thomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 663767.

The Arlington Independent School District (the "district"), which you represent, received two requests from the same requestor for information pertaining to a specified spreadsheet tracking symptoms of students and staff at a specified school and e-mails sent amongst named individuals including specified terms.<sup>1</sup> We understand you have redacted student-identifying information from the submitted documents pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.<sup>2</sup> You claim the submitted information is excepted from disclosure under

---

<sup>1</sup>You state the district sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

<sup>2</sup>The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <https://www.texasattorneygeneral.gov/files/og/20060725usdoe.pdf>.

section 552.103 of the Government Code.<sup>3</sup> We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>4</sup>

Initially, we note in requesting information pertaining to a specified spreadsheet tracking symptoms of students and staff at a specified school, the requestor excludes “information which would identify” an individual and seeks only “the number of instances in which symptoms have been reported[,] the date symptoms were reported[,]” and a “description of the symptoms[.]” Accordingly, the portions of the submitted documents that do not consist of the information requested are not responsive to the present requests. This ruling does not address the public availability of any information that is not responsive to the requests and the district is not required to release that information in response to the requests.

Next, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov’t Code § 552.022(a)(1). The submitted information includes a completed report that is subject to section 552.022(a)(1). The district must release the completed report pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or is made confidential under the Act or other law. *See id.* You seek to withhold the information subject to section 552.022(a)(1) under section 552.103 of the Government Code. However, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov’t Code § 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the information subject to section 552.022, which we marked, may not be withheld under section 552.103 of the Government Code. However, we will consider your argument under section 552.103 for the information not subject to section 552.022.

---

<sup>3</sup>Although you also raise section 552.101 of the Government Code, you have not provided any arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. *See* Gov’t Code §§ 552.301, .302.

<sup>4</sup>We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body claiming section 552.103 has the burden of providing relevant facts and documents sufficient to establish the applicability of section 552.103 to the information it seeks to withhold. To meet this burden, the governmental body must demonstrate: (1) litigation was pending or reasonably anticipated on the date of its receipt of the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.). Both elements of the test must be met in order for information to be excepted from disclosure under section 552.103. *See Open Records Decision No. 551 at 4 (1990).*

You state, and provide documentation showing, prior to the district's receipt of the instant requests, a lawsuit styled *Farr v. Arlington Independent School District*, Cause No. 236-291133-17, was filed and is currently pending against the district in the Judicial District Court of Tarrant County, Texas. Therefore, we agree litigation was pending on the date the district received the present requests for information. You also state the information at issue pertains to the substance of the lawsuit claims. Based on your representations and our review, we find the information at issue is related to the pending litigation. Therefore, we conclude the district may withhold the remaining responsive information under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See Open Records Decision Nos. 349 (1982), 320 (1982).* Thus, information that has either been obtained from or provided to all parties to the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has concluded. *See Attorney General Opinion MW-575 (1982); see also Open Records Decision No. 350 (1982).*

In summary, the district must release the information we marked pursuant to section 552.022(a)(1) of the Government Code. The district may withhold the remaining responsive information under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
