

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 21, 2017

Mr. Oscar G. Gabaldón, Jr.
Assistant City Attorney
Office of the City Attorney
City of El Paso
P.O. Box 1890
El Paso, Texas 79950-1890

OR2017-13771

Dear Mr. Gabaldon:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 663092 (City's Case # 17-1026-8382).

The El Paso Police Department (the "department") received a request for the police report and crime scene photographs pertaining to a specified case. You state you will release some of the information. You claim the submitted information is excepted from disclosure under section 552.1085 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.1085 of the Government Code provides, in pertinent part, the following:

(c) A sensitive crime scene image in the custody of a governmental body is confidential and excepted from the requirements of Section 552.021 and a governmental body may not permit a person to view or copy the image except as provided by this section. This section applies to any sensitive crime scene image regardless of the date that the image was taken or recorded.

(d) Notwithstanding Subsection (c) and subject to Subsection (e), the following persons may view or copy information that constitutes a sensitive crime scene image from a governmental body:

(1) the deceased person's next of kin[.]

...

(e) This section does not prohibit a governmental body from asserting an exception to disclosure of a sensitive crime scene image to a person identified in Subsection (d) on the grounds that the image is excepted from the requirements of Section 552.021 under another provision of this chapter or another law.

Gov't Code § 552.1085(c), (d)(1), (e). For purposes of section 552.1085, "sensitive crime scene image" means "a photograph or video recording taken at a crime scene, contained in or part of a closed criminal case, that depicts a deceased person in a state of dismemberment, decapitation, or similar mutilation or that depicts the deceased person's genitalia." *See id.* § 552.1085(a)(6). The department asserts the submitted information, which consists of photographs related to the specified incident, are confidential under section 552.1085. However, upon review, we find the department has failed to establish any of the submitted information consists of sensitive crime scene images excepted from disclosure under section 552.1085 and the department may not withhold any of the submitted information on that basis. As you raise no further exceptions to disclosure, the department must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
