Ms. Lola Dada-Olley
Assistant City Attorney
City of Plano
P.O. Box 860358
Plano, Texas 75086-0358

OR2017-13805

Dear Ms. Dada-Olley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 662730 (ORR# 17-028).

The City of Plano (the "city") received a request for correspondence between the city and a named individual or specified third party during a specified time period.¹ We understand the city is withholding access device numbers pursuant to section 552.136(c) of the Government Code.² The city claims the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

¹The city states it sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²Section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e).

Section 552.104(a) of the Government Code excepts from disclosure “information that, if released, would give advantage to a competitor or bidder.” Gov’t Code § 552.104(a). The “test under section 552.104 is whether knowing another bidder’s [or competitor’s information] would be an advantage, not whether it would be a decisive advantage.” *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). The city represents the information at issue pertains to a competitive bidding situation in which the contract has not been awarded. In addition, the city states release of the information could cause harm because competitors could use the information to their advantage. After review of the information at issue and consideration of the arguments, we find the city has established the release of the information would give advantage to a competitor or bidder. Thus, we conclude the city may withhold the submitted information under section 552.104(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
