

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 22, 2017

Ms. Agatha Wade
Assistant Criminal District Attorney
Bexar County
101 West Nueva Street, 7th Floor
San Antonio, Texas 78205

OR2017-13847

Dear Ms. Wade:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 662867 (Ref. No. 5496).

The Bexar County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we must address the sheriff's office's procedural obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). Furthermore, section 552.301(e) requires the governmental body to submit to the attorney general, not later than the fifteenth business day after the date of the receipt of the request: (1) written comments stating why the governmental body's claimed exceptions apply to the information that it seeks to withhold; (2) a copy of the written request for information; (3) a signed statement of the date on which the governmental body received the request or evidence sufficient to establish that date; and (4) the specific information that the governmental body seeks to withhold or representative samples if the information is voluminous. *Id.*

§ 552.301(e)(1). You state the sheriff's office received the original request for information on January 27, 2017. Accordingly, the sheriff's office's ten- and fifteen-business-day deadlines were February 10, 2017, and February 17, 2017, respectively. However, you did not request a ruling from this office until April 12, 2017. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail). Consequently, we find the sheriff's office failed to comply with the requirements of section 552.301 in requesting this decision from our office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Because you inform us, and provide documentation showing, the Bexar County Criminal District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the sheriff's office may withhold the submitted information under section 552.108 of the Government Code on behalf of the district attorney's office. Additionally, you raise sections 552.101 and 552.130 of the Government Code for some of the submitted information. Because sections 552.101 and 552.130 can provide compelling reasons to overcome the presumption of openness, we will also address your arguments under these sections for the information at issue.

Section 552.108(a) of the Government Code excepts from disclosure "information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The district attorney's office states it objects to the release of the submitted information because it pertains to a pending criminal case. Based upon this representation, we find the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus section 552.108(a)(1) is applicable to the information at issue.

However, section 552.108(a)(1) does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-87; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the basic information, which must be released, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
