

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 23, 2017

Mr. Jason Larman
Assistant District Attorney
Montgomery County
9th Judicial District
207 West Phillips, 2nd Floor
Conroe, Texas 77301-2824

OR2017-14089

Dear Mr. Larman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 663018.

The Montgomery County District Attorney's Office (the "district attorney's office") received a request for all information pertaining to a specified case file. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."² Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, there is no indication the requestor is a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the district attorney's office must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the district attorney's office to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. Although the district attorney's office asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c-1) prevails and the district attorney's office may not withhold the information under section 552.108 of the Government Code. Thus, the district attorney's office must release the redacted accident report to the requestor pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.108 of the Government Code states, in pertinent part, the following:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted [from required public disclosure] if:

...

(4) it is information that:

(A) is prepared by an attorney representing the state in anticipation of or in the course of preparing for criminal litigation; or

(B) reflects the mental impressions or legal reasoning of an attorney representing the state.

...

(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted [from required public disclosure] if:

...

(3) the internal record or notation:

(A) is prepared by an attorney representing the state in anticipation of or in the course of preparing for criminal litigation; or

(B) reflects the mental impressions or legal reasoning of an attorney representing the state.

Gov't Code § 552.108(a)(4), (b)(3). A governmental body claiming an exception to disclosure under section 552.108 must explain how and why this exception is applicable to the information the governmental body seeks to withhold. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). In *Curry v. Walker*, 873 S.W.2d 379 (Tex. 1994), the Texas Supreme Court held a request for a district attorney's "entire litigation file" was "too broad" and, quoting *National Union Fire Insurance Co. v. Valdez*, 863 S.W.2d 458, 460 (Tex. 1993), held "the decision as to what to include in [the file] necessarily reveals the attorney's thought processes concerning the prosecution or defense of the case." 873 S.W.2d at 380. You state the request for information encompasses the entire prosecution file of the district attorney's office for the specified case. You further state the submitted information reflects the mental impressions or legal reasoning of an attorney representing the state in the case at issue. Thus, upon review, we conclude sections 552.108(a)(4) and (b)(3) of the Government Code are applicable to the information at issue.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of basic information, the district attorney's office may withhold the remaining

information under sections 552.108(a)(4) and (b)(3) of the Government Code and the court's ruling in *Curry*.

In summary, the district attorney's office must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code; however, the district attorney's office must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. With the exception of basic information, which must be released, the district attorney's office may withhold the remaining information under section 552.108(a)(4) and (b)(3) of the Government Code and the court's ruling in *Curry*.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
