Office of the City Attorney
City of Dallas

OR2017-14134

Dear Ms. Reynolds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 669815 (ORR# C003465-050817).

The City of Dallas (the "city") received a request for information pertaining to a specified incident. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note, and the city acknowledges, the city did not comply with the time periods prescribed by section 552.301 of the Government Code in seeking an open records decision from this office. *See* Gov't Code § 552.301. Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The city claims section 552.101 of the Government Code for the submitted information. Because section 552.101 can provide a compelling reason to overcome the presumption of openness, we will address the city's argument under this exception against release of the submitted information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 826.0311 of the Health and Safety Code, which states in relevant part:

(a) Information that is contained in a municipal or county registry of dogs and cats under Section 826.031 that identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of the registered dog or cat is confidential and not subject to disclosure under Chapter 552, Government Code. The information contained in the registry may not include the social security number or the driver’s license number of the owner of the registered animal.

(b) The information may be disclosed only to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services or animal registration services for the governmental entity for purposes related to the protection of public health and safety. A governmental entity or person that receives the information must maintain the confidentiality of the information, may not disclose the information under Chapter 552, Government Code, and may not use the information for a purpose that does not directly relate to the protection of public health and safety.

Health & Safety Code § 826.0311(a), (b). Section 826.0311 applies only to the actual pet registry; it does not apply to the contents of other records, even though those documents may contain the same information as the pet registry. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection); *see also* Open Records Decision Nos. 658 at 4 (1998), 478 at 2 (1987).

You state the information you have marked is maintained by the city as part of its pet registry. You assert release of this information would identify or tend to identify the owner of a registered dog or an address, telephone number, or other personally identifying information of the owner of a registered dog. Based on your representations and our review, we find the information we have marked identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of a registered dog and is subject to section 826.0311. We have no indication the exception in section 826.0311(b) applies. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 826.0311(a) of the Health and Safety Code. However, we find you have failed to establish any of the remaining information identifies or tends to identify the owner of a registered dog or cat or consists of an address, telephone number, or other personally identifying information of the owner of a registered dog or cat for purposes of

section 826.0311(a). Therefore, the city may not withhold any of the remaining information under section 552.101 of the Government Code in conjunction with section 826.0311 of the Health and Safety Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
