ATTORNEY GENERAL OF TEXAS

Ms. Leticia D. McGowan  
Assistant General Counsel  
Dallas Independent School District  
3700 Ross Avenue  
Dallas, Texas 75204

OR2017-14138

Dear Ms. McGowan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 670353 (ORR # 16271).

The Dallas Independent School District (the "district") received a request for information pertaining to a specified incident and a specified district policy. You state the district will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses information protected by other statutes. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997, are confidential under section 58.007(c) of the Family Code, which reads as follows:

- (c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

*Id.* § 58.007(c). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). Upon review, we find the submitted information involves an allegation of delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. *See id.* § 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of Fam. Code § 58.007). However, we are unable to determine the age of the suspect listed in the information at issue. Accordingly, we must rule in the alternative. If the suspect was ten years of age or older and under seventeen years of age at the time of the conduct at issue, then, as it does not appear any of the exceptions in section 58.007 apply, the district must withhold the information at issue in its entirety under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code. However, if the suspect was under ten years of age or was seventeen years of age or older at the time of the conduct, then the information does not involve juvenile conduct for purposes of section 58.007(c) of the Family Code, and no portion of the information at issue may be withheld under section 552.101 of the Government Code on that basis. In that instance, as no other exceptions apply, the district must release the submitted information.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
