Dear Mr. Sfeir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 663576 (TDCJ ID# GG0006).

The Texas Department of Criminal Justice (the "department") received a request for information pertaining to a specified incident. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.134 of the Government Code is applicable to information related to inmates of the department. Section 552.134(a) states that

[e]xcept as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Section 552.029 of the Government Code provides, in part, that:

[n]otwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

...

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

Id. § 552.029(8). Upon review, we agree the submitted information constitutes information about an inmate for purposes of section 552.134. However, the submitted information pertains to an alleged crime involving the inmate. Thus, pursuant to section 552.029, the department must release basic information from the submitted information. Basic information includes the time and place of the incident, names of inmates and department officials directly involved, a brief narrative of the incident, a brief description of any injuries sustained, and information regarding criminal charges or disciplinary actions filed as a result of the incident.¹ With the exception of basic information, which must be released, the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
