

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 28, 2017

Mr. W. Montgomery Meitler
Senior Counsel
Office of Legal Services
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701-1494

OR2017-14431

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 663696 (TEA PIR# 29463).

The Texas Education Agency (the "TEA") received a request for information pertaining to a specified school district, including documents related to two specified campuses. You state the TEA will release some information. You claim the remaining requested information is excepted from disclosure under sections 552.107 and 552.116 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.107(1) of the Government Code protects information coming within the attorney-client privilege. When asserting the attorney-client privilege, a governmental body has the burden of providing the necessary facts to demonstrate the elements of the privilege in order to withhold the information at issue. Open Records Decision No. 676 at 6-7 (2002). First, a governmental body must demonstrate that the information constitutes or documents

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

a communication. *Id.* at 7. Second, the communication must have been made “to facilitate the rendition of professional legal services” to the client governmental body. TEX. R. EVID. 503(b)(1). The privilege does not apply when an attorney or representative is involved in some capacity other than that of providing or facilitating professional legal services to the client governmental body. *In re Tex. Farmers Ins. Exch.*, 990 S.W.2d 337, 340 (Tex. App.—Texarkana 1999, orig. proceeding) (attorney-client privilege does not apply if attorney acting in a capacity other than that of attorney). Governmental attorneys often act in capacities other than that of professional legal counsel, such as administrators, investigators, or managers. Thus, the mere fact that a communication involves an attorney for the government does not demonstrate this element. Third, the privilege applies only to communications between or among clients, client representatives, lawyers, and lawyer representatives. TEX. R. EVID. 503(b)(1)(A), (B), (C), (D), (E). Thus, a governmental body must inform this office of the identities and capacities of the individuals to whom each communication at issue has been made. Lastly, the attorney-client privilege applies only to a *confidential* communication, *id.* 503(b)(1), meaning it was “not intended to be disclosed to third persons other than those: (A) to whom disclosure is made to further the rendition of professional legal services to the client; or (B) reasonably necessary to transmit the communication.” *Id.* 503(a)(5). Whether a communication meets this definition depends on the *intent* of the parties involved at the time the information was communicated. *Osborne v. Johnson*, 954 S.W.2d 180, 184 (Tex. App.—Waco 1997, orig. proceeding). Moreover, because the client may elect to waive the privilege at any time, a governmental body must explain that the confidentiality of a communication has been maintained. Section 552.107(1) generally excepts an entire communication that is demonstrated to be protected by the attorney-client privilege unless otherwise waived by the governmental body. *See Huie v. DeShazo*, 922 S.W.2d 920, 923 (Tex. 1996) (privilege extends to entire communication, including facts contained therein).

You state the information you indicated constitutes communications between and among TEA attorneys, representatives of TEA attorneys, and TEA staff made for the purpose of facilitating the rendition of professional legal services to TEA staff. You state the information you indicated represents confidential communications that have been maintained as confidential and have not been disclosed to non-privileged parties. Based on your representations and our review, we find the information you indicated consists of privileged attorney-client communications the TEA may withhold under section 552.107(1) of the Government Code.

Section 552.116 of the Government Code provides the following:

- (a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history

background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the information you indicated consists of audit working papers prepared or maintained by the TEA's Divisions of Enforcement and Support, School Improvement, and Governance and Investigations. You state the audits were conducted pursuant to the authority granted to the TEA by sections 7.028 and 39.056 of the Education Code. *See* Educ. Code §§ 7.028 (authorizing TEA to monitor school district and campus compliance with programs as necessary to ensure compliance with federal law and regulations, financial accountability, and data integrity), 39.056 (commissioner of education may direct TEA to conduct monitoring reviews and random on-site visits of school district at any time as authorized by section 7.028). Based on your representations and our review, we find the TEA may withhold the information you indicated under section 552.116 of the Government Code.

In summary, the TEA may withhold (1) the information you indicated under section 552.107(1) of the Government Code and (2) the information you indicated under section 552.116 of the Government Code.
