Austin, Texas 78731

OR2017-14449

Dear Mr. Spurck:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 663481 (ORR No. 660235).

The Somervell County Hospital District d/b/a Glen Rose Medical Center (the "district"), which you represent, received a request for the most recent Joint Commission ("commission") document referenced in a specified meeting. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 161.032 of the Health and Safety Code, which provides, in relevant part, the following:

(a) The records and proceedings of a medical committee are confidential and are not subject to court subpoena.

...

(c) Records, information, or reports of a medical committee, medical peer review committee, or compliance officer and records, information, or reports

provided by a medical committee, medical peer review committee, or compliance officer to the governing body of a public hospital, hospital district, or hospital authority are not subject to disclosure under [the Act].

...

(f) This section and Subchapter A, Chapter 160, Occupations Code, do not apply to records made or maintained in the regular course of business by a hospital, health maintenance organization, medical organization, university medical center or health science center, hospital district, hospital authority, or extended care facility.

Health & Safety Code § 161.032(a), (c), (f). For purposes of this confidentiality provision, a “medical committee” includes any committee, including a joint committee, of “a university medical school or health science center[.]” *Id.* § 161.031(a). Section 161.0315(a) provides the governing body of a university medical school or health science center may form a medical committee, as defined by section 161.031 of the Health and Safety Code, to evaluate medical and health care services. *Id.* § 161.0315(a).

The precise scope of the “medical committee” provision has been the subject of a number of judicial decisions. *See, e.g., Memorial Hosp.—The Woodlands v. McCown*, 927 S.W.2d 1 (Tex. 1996); *Barnes v. Whittington*, 751 S.W.2d 493 (Tex. 1988); *Jordan v. Fourth Supreme Judicial Dist.*, 701 S.W.2d 644 (Tex. 1986). These cases establish that “documents generated by the committee in order to conduct open and thorough review” are confidential. This protection extends “to documents that have been prepared by or at the direction of the committee for committee purposes.” *Jordan*, 701 S.W.2d at 647-48. Protection does not extend to documents “gratuitously submitted to a committee” or “created without committee impetus and purpose.” *Id.* at 648; *see also* Open Records Decision No. 591 (1991) (construing, among other statutes, statutory predecessor to section 161.032).

You indicate that the submitted information consists of an evaluation prepared by the commission following a survey of the medical center. In *Humana Hospital Corporation v. Spears-Petersen*, the court found that the commission is a medical committee under section 161.031(a)(2), and its accreditation report of a hospital is confidential under section 161.032.¹ *See Humana Hospital Corp. v. Spears-Petersen*, 867 S.W.2d 858 (Tex. App.—San Antonio 1993, no pet.). Based on your representations and our review, we conclude the submitted information constitutes records, information, or reports of a medical committee acting under subchapter D of chapter 161 of the Health and Safety Code. We therefore determine this information is confidential under section 161.032(a) of the Health and Safety Code and must be withheld under section 552.101 of the Government Code.

¹We note that the commission was formerly known as the Joint Commission on Accreditation of Healthcare Organizations.
