Dear Ms. Lentz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 664498.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we find the information you marked consists of motor vehicle record information subject to section 552.130. Additionally, we find the submitted video recordings contain confidential motor vehicle record information. In this instance, you state the sheriff's office does not possess the technological capability to redact information from the video recordings. Therefore, the sheriff's office must withhold the information you marked and the submitted video recordings in their entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983). The sheriff's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
