Ms. Michelle Buendia
Assistant City Attorney
Criminal Law and Police Section
City of Dallas

OR2017-14753

Dear Ms. Buendia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 671168 (ORR# 2016-24838).

The Dallas Police Department (the "department") received a request for a specified case file. We understand you will redact information under section 552.130 of the Government Code and pursuant to the previous determinations issued to the department in Open Records Letter Nos. 2017-09757 (2016) and 2011-18466 (2011).¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Open Records Letter No. 2017-09757 is a previous determination issued to the department authorizing it to withhold dates of birth of living individuals under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office. Open Records Letter No. 2011-18466 is a previous determination issued to the department authorizing it to withhold under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code the originating telephone number and address of a 9-1-1 caller furnished to the department by a service supplier established in accordance with chapter 772 of the Health and Safety Code.

have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Initially, we note, and you acknowledge, the department did not comply with the time periods prescribed by section 552.301 of the Government Code in seeking an open records decision from this office. *See* Gov't Code § 552.301. Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Because you inform us, and provide documentation showing, the Dallas County Criminal District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the department may withhold the submitted information under section 552.108 of the Government Code on behalf of the district attorney's office.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You have provided a statement from the district attorney's office demonstrating the submitted information relates to a pending criminal investigation or prosecution and objecting to release of the information you have marked. Based on this representation, we conclude release of the information you have marked will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the department may withhold the information you have marked under section 552.108(a)(1) of the Government

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Code on behalf of the district attorney's office.³ As you raise no further exceptions to disclosure, the department must release the remaining information.
