ATTORNEY GENERAL OF TEXAS

Ms. Michelle Rangel
Assistant County Attorney
Fort Bend County
401 Jackson Street, 3rd Floor
Richmond, Texas 77469

OR2017-14770

Dear Ms. Rangel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 664814.

The Fort Bend County Sheriff's Office (the "sheriff's office") received a request for information pertaining to specified cases, two named individuals, and a specified address during a specified period of time.¹ You state you will release some information. You state you do not have information responsive to a portion of the request.² You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

¹We note the sheriff's office sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

²The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); *Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983)*.

Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997, are confidential under section 58.007. Fam. Code § 58.007(c). The relevant language of section 58.007 reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Id. For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). The submitted information involves juvenile delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997. *See id.* § 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of Fam. Code § 58.007). Thus, this information is subject to section 58.007(c). In this instance, it does not appear any of the exceptions to confidentiality under section 58.007 apply. Accordingly, the sheriff’s office must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

³As our ruling is dispositive, we need not address your remaining argument against disclosure.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
