ATTORNEY GENERAL OF TEXAS

July 5, 2017

Ms. Bridget Chapman  
Assistant District Attorney  
Williamson County  
405 Martin Luther King Box #1  
Georgetown, Texas 78626

OR2017-14941

Dear Ms. Chapman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 664777.

The Williamson County District Attorney's Office (the "district attorney's office") received a request for information related to a specified case. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim.

We must address the obligations of the district attorney's office under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). You state the district attorney's office received the request for information on April 10, 2017. As of this date, you have not submitted to this office a copy or representative

sample of the information requested. Accordingly, we conclude the district attorney's office failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the district attorney's office raises an exception to disclosure, because you have not submitted any information for review, we have no basis for finding any information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
