ATTORNEY GENERAL OF TEXAS

July 6, 2017

Ms. Sandra Passailaigue
City Secretary
City of Leon Valley
6400 El Verde Road
Leon Valley, Texas 78238

OR2017-14972

Dear Ms. Passailaigue:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 665086.

The City of Leon Valley (the "city") received a request for a specified crash report. You state the city released information responsive to the request but made redactions as permitted by section 552.130 of the Government Code without requesting a decision from this office. *See* Gov't Code § 552.130(c). Pursuant to section 552.130(d), the requestor has asked this office to review the information and render a decision as to whether it is excepted from disclosure under section 552.130(a) of the Government Code. *See id.* § 552.130(c)-(e). We have considered the city's position and reviewed the information.

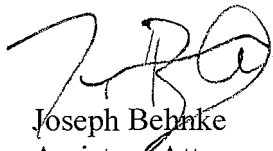

We note the submitted information is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). The city raises section 552.130 of the Government Code for the motor vehicle record information contained in the accident report. We note a statutory right of access generally prevails over the Act's general exceptions to disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). However, because section 552.130 has its own access provisions, we conclude section 552.130 is not a general exception under the Act. Thus, we must address the conflict between the confidentiality provided under section 552.130 of the Government Code and the right of access provided under section 550.065(c) of the Transportation Code for the accident report. Where information falls within both a general and a specific provision of law, the specific provision prevails over the general. *See Horizon/CMS Healthcare Corp. v. Auld*, 34 S.W.3d 887, 901 (Tex. 2000) ("more specific statute controls over the more general"); *Cuellar v. State*, 521 S.W.2d 211 (Tex. Crim. App. 1975) (under well-established rule of statutory construction, specific statutory provisions prevail over general ones); Open Records Decision Nos. 598 (1991), 583 (1990), 451. Section 550.065(c) specifically provides access only to accident reports of the type at issue, while section 552.130 generally excepts motor vehicle record information maintained in any context. Thus, we conclude the access to accident report provided under section 550.065(c) is more specific than the general confidentiality provided under section 552.130. Accordingly, the city may not withhold the information at issue under section 552.130. Thus, the city must release the submitted accident report to this requestor pursuant to section 550.065(c) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
