ATTORNEY GENERAL OF TEXAS

Ms. Judy Hickman
Assistant Supervisor
Beaumont Police Department
P.O. Box 3827
Beaumont, Texas 77704

OR2017-14987

Dear Ms. Hickman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 664595.

The Beaumont Police Department (the "department") received a request for information pertaining to a specified accident. The department states it has released some of the requested information. The department claims the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Initially, we note, and the department acknowledges, the department did not comply with the time periods prescribed by section 552.301 of the Government Code in seeking an open records decision from this office. *See* Gov't Code § 552.301. Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The department claims section 552.130 of the Government Code for the submitted information. Because section 552.130 can provide a compelling reason to overcome the presumption of openness,

we will address the department's argument under this exception against release of the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. You assert, and we agree, the submitted video recordings contain confidential motor vehicle record information that is excepted from disclosure under section 552.130. In this instance, the department states it does not possess the technological capability to redact information from video files. Thus, we agree the department must withhold the entireties of the submitted video recordings under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
