

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 11, 2017

Ms. Jessica Vu
Assistant General Counsel
Office of the Governor
P.O. Box 12428
Austin, Texas 78711

OR2017-15386

Dear Ms. Vu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 665678 (OOG ID# 17-154).

The Office of the Governor (the "governor's office") received a request for all e-mails sent to or received by the governor during a certain time period, excluding constituent communications and mailing lists, listserves, and promotions.¹ You state the governor's office will release some of the information. You claim the submitted information is exempted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹The governor's office sought and received clarification of the information requested. *See* Gov't Code § 552.222 (if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if governmental entity, acting in good faith, requests clarification of unclear or over-broad request, ten-day period to request attorney general ruling is measured from date request is clarified).

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.111 of the Government Code excepts from disclosure “[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]” Gov’t Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref’d n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body’s policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body’s policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body’s policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

You seek to withhold the submitted information under section 552.111 of the Government Code. You assert the information at issue consists of advice, opinions, and recommendations of policy directors and analysts of the governor’s office regarding policymaking matters. Upon review, we find you have demonstrated the information at issue consists of advice, opinions, or recommendations on policymaking matters of the governor’s office. Accordingly, the governor’s office may withhold the submitted information under section 552.111 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
