City of San Antonio

OR2017-15475

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 672844 (ORR# W171449).

The City of San Antonio (the "city") received a request for call for service number SAPD2017-0355947. The city states it is withholding access device numbers pursuant to section 552.136(c) of the Government Code.¹ The city also states it will redact public citizens' dates of birth pursuant to Open Records Letter No. 2016-08566 (2016).² The city claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't

¹Section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e).

²Open Records Letter No. 2016-08566 authorizes the city to withhold public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a ruling from this office.

Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See* Open Records Decision No. 649 (1996). The city indicates it is part of an emergency communication district that is subject to section 772.318 of the Health and Safety Code. The city marked a telephone number that it seeks to withhold. We conclude the city must withhold the marked telephone number under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code if it consists of the originating telephone number furnished by a 9-1-1 service supplier. If the marked information does not consist of the originating telephone number provided by a 9-1-1 service supplier, it may not be withheld under section 552.101 in conjunction with section 772.318. The city must release the remaining information.
