Dear Ms. Schultz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 672724.

The Palestine Independent School District (the "district"), which you represent, received a request for information pertaining to a named former employee. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses other statutes, such as section 21.355 of the Education Code, which provides that "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). Additionally, a court has concluded that a written reprimand constitutes an evaluation for purposes of section 21.355, as it "reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction, and provides for further review." *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). In Open Records Decision No. 643, we determined an "administrator" for purposes of section 21.355 means a person

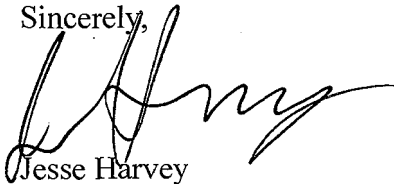

who is required to, and does in fact, hold an administrator's certificate under subchapter B of chapter 21 of the Education Code, and is performing the functions as an administrator, as that term is commonly defined, at the time of the evaluation. *See* ORD 643.

You assert the submitted information consists of written evaluations that are confidential under section 21.355 of the Education Code. You inform us, and have submitted documentation reflecting, the administrator at issue held the appropriate certification at the time of the evaluations. Based on your representations and our review, we agree the submitted information constitutes evaluations as contemplated by section 21.355. Accordingly, the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Jesse Harvey
