

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 12, 2017

Mr. Jonathan T. Koury
Assistant City Attorney
City of Bryan
P.O. Box 1000
Bryan, Texas 77805

OR2017-15532

Dear Mr. Koury:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 665684.

The City of Bryan (the "city") received a request for all information pertaining to a specified motor vehicle accident, including the body worn camera recordings. You state you have released some information. You claim some of the submitted information is not subject to disclosure pursuant to section 1701.661(c) of the Occupations Code. You also claim some of the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered your arguments and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. We note the submitted information consists of a recording from a department officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code provides:

- (a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recording at issue. We understand the submitted recording was required to be made by law or the policies of the city's police department and the recording relates to a law enforcement purpose. *See id.* § 1701.661(h). We also understand the recording at issue is or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recording documents an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). The submitted recording demonstrates it was not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining "private space" for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the submitted information contains a body worn camera recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You state you do not have permission for release from all of the subjects in the recording at issue. *See id.* Accordingly, we find the city must withhold the submitted body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body that claims an exception to disclosure under section 552.108(a)(1) must explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue relates to a pending prosecution. Based upon your representation and our review, we find section 552.108(a)(1) is applicable to the remaining information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ.

App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, we note, and you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; see also Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). We note basic information does not include dates of birth or motor vehicle record information. See ORD 127 at 3-4. Thus, with the exception of basic information, which you state you have released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.¹

In summary, the city must withhold the submitted body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. With the exception of basic information, which you state you have released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
