ATTORNEY GENERAL OF TEXAS

July 13, 2017

Mr. Brandon McCutchen  
Chief Deputy  
Uvalde County Sheriff's Office  
339 King Fisher Lane  
Uvalde, Texas 78801

OR2017-15611

Dear Mr. McCutchen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 665985.

The Uvalde County Sheriff's Office (the "sheriff's office") received a request for a specified incident report involving two named individuals. You take no position as to whether the submitted information is excepted from disclosure. We have reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."<sup>1</sup> Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code. Section 58.007 makes confidential juvenile law

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

enforcement records relating to conduct that occurred on or after September 1, 1997. The relevant language of section 58.007 reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

Fam. Code § 58.007(c), (e). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). Upon review, we find the submitted information involves juvenile delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. *See id.* § 51.03 (defining "delinquent conduct" and "conduct indicating a need for supervision" for purposes of Fam. Code § 58.007). Although the requestor is a parent of the juvenile offender in the submitted information, that juvenile is now an adult. Accordingly, the requestor no longer has a right of access to her adult child's records under section 58.007(e). *See id.* § 58.007(e). Further, it does not appear any of the exceptions in section 58.007 apply to the information at issue. Therefore, the sheriff's office must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
