

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

Mr. Dick H. Gregg, III
Counsel for the City of Kemah
Gregg & Gregg, P.C.
16055 Space Center Boulevard, Suite 150
Houston, Texas 77062

OR2017-15935

Dear Mr. Gregg:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 673196.

The City of Kemah (the "city"), which you represent, received a request for a specified incident report. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.115 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Initially, we note the submitted information includes a city police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997, are confidential under section 58.007(c) of the Family Code, which reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). You inform us the submitted information involves juvenile delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. *See id.* § 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of Fam. Code § 58.007). It does not appear any of the exceptions in section 58.007 apply. Therefore, the city must withhold the remaining information under

section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.¹

In summary, the submitted body worn camera recording was not properly requested pursuant to chapter 1701 of the Occupations Code and it need not be released. The city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
