Dear Mr. Narvaez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 666744 (Reference# P003856-042717).

The McKinney Police Department (the "department"), which you represent, received a request for information pertaining to a specified incident. You state you have released some information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a). Portions of the submitted video recordings contain information subject to section 552.130. You state the department lacks the technical capability to redact this information from the recordings. Therefore, we conclude the department must withhold the submitted video recordings in their entireties under section 552.130 of the Government Code.<sup>1</sup>
