Dear Ms. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 666696.

The Hurst-Eules-Bedford Independent School District (the "district"), which you represent, received a request for information pertaining to the LEAD program. You state the district has no information responsive to portions of the request.¹ You claim the submitted information is excepted from disclosure under section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Initially, we note you have marked some information as not responsive. This ruling does not address the public availability of the non-responsive information and the district need not release it to the requestor.

Section 552.122(a) of the Government Code excepts from disclosure "[a] test item developed by an educational institution that is funded wholly or in part by state revenue[.]" Gov't Code § 552.122(a). In Open Records Decision No. 626 (1994), this office determined the term

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

“test item” in section 552.122 includes “any standard means by which an individual’s or group’s knowledge or ability in a particular area is evaluated.” ORD 626 at 6. The question of whether specific information falls within the scope of section 552.122(a) must be determined on a case-by-case basis. *Id.* at 7. Traditionally, this office has applied section 552.122 where release of “test items” might compromise the effectiveness of future examinations. *See* Open Records Decision No. 118 (1976). *See generally* ORD 626 at 4-5. Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987).

You seek to withhold the responsive information under section 552.122 of the Government Code. However, we find the responsive questions at issue do not evaluate an individual’s or group’s knowledge or ability in a particular area. Rather, the information at issue reveals questions that evaluate an applicant’s individual abilities, personal opinions, and subjective ability to respond to a particular situation. Accordingly, the district may not withhold any portion of the responsive information under section 552.122 of the Government Code and it must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Paige Lay
Assistant Attorney General
