ATTORNEY GENERAL OF TEXAS

July 24, 2017

Ms. Michelle Buendia
Assistant City Attorney
Criminal Law and Police Section
City of Dallas
1400 South Lamar
Dallas, Texas 75215

OR2017-16510

Dear Ms. Buendia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 674849 (ORR# 2017-10861).

The City of Dallas (the "city") received a request for the arrest warrant affidavit and 9-1-1 calls related to a specified incident. The city claims the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions the city claims and reviewed the submitted information.

Initially, we note the requestor seeks only the arrest warrant affidavit and 9-1-1 calls related to the specified incident. The city has submitted documents that contain information beyond these specific pieces of information. Thus, the portions of the submitted documents that do not consist of the information requested are not responsive to the present request. This ruling does not address the public availability of any information that is not responsive to the request.

Initially, we must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). Further, pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an

open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). The city received the request for information on June 12, 2017. The city does not inform us it was closed for any business days between June 12, 2017, and July 3, 2017. Accordingly, the city was required to provide the information required by section 552.301(b) by June 26, 2017. Moreover, the city was required to provide the information required by section 552.301(e) by July 3, 2017. However, the envelope in which the city provided the information required by sections 552.301(b) and 552.301(e) was postmarked July 5, 2017. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the city failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). The city claims sections 552.101 and 552.130 of the Government Code for the submitted information. Because sections 552.101 and 552.130 can provide compelling reasons to overcome the presumption of openness, we will consider the city's arguments under these exceptions against release of the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect conducted by the city. *See id.* §§ 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. The city does not indicate it has adopted a rule that governs the release of this type of information and therefore we assume no such regulation exists. Given that assumption, we conclude the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.¹ *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
