Ms. Charla Thomas
Deputy City Attorney
Legal Department
City of Temple

Temple, Texas 76501

OR2017-17039

Dear Ms. Thomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 668804 (ORR CS17884).

The City of Temple (the "city") received a request for all information relating to a specified motor vehicle accident involving the named individual. We understand you will release some information. You claim the submitted information is not subject to disclosure pursuant to section 1701.661(c) of the Occupations Code. We have considered the submitted argument and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. We note a portion of the submitted information consists of a recording from a department officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code provides:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provides the requisite information for the body worn camera recording at issue. We understand the submitted recording was required to be made by law or the policies of the city's police department and the recording relates to a law enforcement purpose. *See id.* § 1701.661(h). We also understand the recording at issue is or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recording documents an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See Occ. Code § 1701.660(a).* The submitted recording demonstrates it was not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining "private space" for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the submitted information contains a body worn camera recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You state you do not have permission for release from all of the subjects in the recording at issue. *See id.* Accordingly, we find the city must withhold the submitted body worn camera recording, which we have indicated, under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. However, we find the remaining recordings are not body worn camera recordings. Therefore, the remaining information is not subject to section 1701.661 of the Occupations Code. Accordingly, we will consider if the remaining information is otherwise excepted under the Act.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ Gov't Code § 552.130. Accordingly, the city must withhold

the visible license plates and driver's license in the remaining information under section 552.130 of the Government Code.

In summary, the city must withhold the submitted body worn camera recording, which we have indicated, under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. The city must withhold the visible license plates and driver's license in the remaining information under section 552.130 of the Government Code. The city must release the remaining information.
