

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 31, 2017

Ms. Candice M. Gambrell
Senior Assistant City Attorney
City of Houston
P.O. Box 368
Houston, Texas 77001-0368

OR2017-17083

Dear Ms. Gambrell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 668789 (GC No. 24302).

The City of Houston (the "city") received a request for inspection records pertaining to two specified addresses. You state you will release some information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹ We have also received and considered comments submitted by the requestor. *See* Gov't Code § 552.304 (providing that interested party may submit written comments regarding why information should or should not be released).

Initially, we note the submitted information contains a notice of a public hearing. Notices of a governmental body's public meetings are specifically made public under provisions of the Open Meetings Act, chapter 551 of the Government Code. *See id.* §§ 551.041 (governmental body shall give written notice of date, hour, place, and subject of each meeting), .043 (notice of meeting of governmental body must be posted in place readily

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

accessible to general public for at least 72 hours before scheduled time of meeting). Although you seek to withhold this information under section 552.108 of the Government Code, the exceptions to disclosure found in the Act generally do not apply to information other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Accordingly, the notice of a public hearing, which we have marked, must be released pursuant to chapter 551 of the Government Code.

Next, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022 provides, in relevant part, the following:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(3). The submitted information includes information in an account, voucher, or contract relating to the receipt or expenditure of funds by a governmental body that is subject to subsection 552.022(a)(3). You seek to withhold the information at issue under section 552.108 of the Government Code. However, section 552.108 is a discretionary exception and does not make information confidential under the Act. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). Therefore, the information at issue may not be withheld under section 552.108 of the Government Code. As you raise no further exceptions to disclosure of the information subject to section 552.022(a)(3), which we have marked, it must be released. However, we will consider your argument against disclosure of the remaining information.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). You state the remaining information relates to a pending criminal investigation by the city's fire department. We note this office has held the arson investigation unit of a fire department is a law enforcement entity for purposes of section 552.108. *See* Open Record Decision

No. 127 (1976) (Arson Investigation Division of Dallas Fire-Rescue Department deemed to be law enforcement agency for purposes of statutory predecessor to section 552.108). Based on this representation, we conclude the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the city must release the notice of a public hearing we have marked pursuant to chapter 551 of the Government Code. The city must release the information we have marked pursuant to section 552.022(a)(3) of the Government Code. The city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
