

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 31, 2017

Ms. Michelle Buendia
Assistant City Attorney
Criminal Law & Police Section
City of Dallas
1400 South Lamar, 6 Floor
Dallas, Texas 75215

OR2017-17129

Dear Ms. Buendia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 675172 (ORR# 2017-10304).

The City of Dallas (the "city") received a request for information pertaining to a specified incident. We understand you will redact motor vehicle record information pursuant to section 552.130(c) of the Government Code, certain information pursuant to Open Records Letter No. 2011-17075 (2011), and dates of birth of members of the public pursuant to Open Records Letter No. 2017-09757 (2017).¹ You state you released some information to the requestor. You claim portions of the submitted information are excepted from disclosure

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See Gov't Code* § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Open Records Letter No. 2011-17075 is a previous determination issued to the city authorizing it to withhold, under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code, an originating telephone number of a 9-1-1 caller furnished by a service supplier established in accordance with chapter 772 of the Health and Safety Code without the necessity of requesting an attorney general decision. Open Records Letter No. 2017-09757 is a previous determination authorizing the city to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office.

under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Initially, we note, and you acknowledge, the city has not complied with the procedural requirements of section 552.301 of the Governmental Code in requesting this ruling. *See* Gov't Code § 552.301(b), (e). Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Because you inform us, and provide documentation showing, the Dallas County District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the city may withhold the submitted information under section 552.108 on behalf of the district attorney's office. Additionally, you raise section 552.101 of the Government Code for some of the submitted information. Because section 552.101 can provide a compelling reason to overcome the presumption of openness, we will also address your argument under this section for the information at issue.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information you marked is related to a pending investigation. You further state the district attorney's office objects to disclosure of the information at issue because its release would interfere with the investigation. Based on the submitted representations, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the city may withhold the information you marked under section 552.108(a)(1) of the

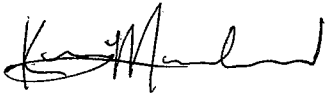

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Government Code on behalf of the district attorney's office.³ The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
