Ms. Stephanie H. Harris  
City Attorney  
City of Paris  
P.O. Box 9037

OR2017-17236

Dear Ms. Harris:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 668823.

The City of Paris (the "city") received a request for specified electronic service identification grid numbers. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of Gexa Energy ("Gexa").<sup>1</sup> Accordingly, you state you notified Gexa of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Gexa

---

<sup>1</sup>Although you raise sections 552.104 and 552.110 of the Government Code, you make no arguments to support these exceptions. Therefore, we assume you have withdrawn your claims that these sections apply to the submitted information. *See* Gov't Code §§ 552.301, .302.

explaining why the submitted information should not be released. Therefore, we have no basis to conclude Gexa has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest Gexa may have in the information. As no exceptions to disclosure have been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
